Dear Chad,

On behalf of the leadership of City of Refuge and all those we serve, I want to say a heartfelt "Thank you!" to you and the employees of Jackson Healthcare. The items we received this past Friday at the culmination of your donation drive represent one of the largest donations from a group we have ever received. The items will be put to good use as we assist those in desperate physical need.

As a non-profit organization, City of Refuge depends upon the generosity and compassion of groups like Jackson Healthcare. Your willingness to be a part of our efforts make it possible for us to continue offering life-saving resources and life-building tools to individuals and families living on the margins of society.

On a personal note, let me say that it was a great pleasure to meet many of the employees and to have the opportunity to share our work with them. The entire process was carried out with excellence and enthusiasm by everyone involved and I believe City of Refuge has found a great friend in Jackson Healthcare.

Grace & Peace,

Tony Johns
